I understand that in exchange for my payment, I will receive weekly shares of organic produce from Glacier Tilth Farm. I realize that all payments to the farm, with the exception of the pay-as-you-go share deposit, are non-refundable. I will arrange for alternative pick up in the event that I miss my share, in accordance with the farm's policy. I realize that in the event that I miss more than 2 pick up days, I will forfeit my share.

Pay-as-you-go shareholders: I understand that I am paying a deposit to secure a share for the entirety of the 2020 season. I understand that it is my responsibility to pick up my share every week, and that I must pay for my share at the time of pick up. I will arrange for alternative pick up in the event that I miss my share, in accordance with the farm's policy. I realize that in the event that I miss more than 2 pick up days, I will forfeit my share and my deposit will not be returned to me.

I have read Glacier Tilth Farm's Missed Pick-up Policy and have familiarized myself with the terms of their CSA Shareholder Agreement.
